HammondServices.com

ABOUT US

Hammond Services began in 1979 with one mission: to bring reliable, honest home services to our local community. What started as a small, family-run operation quickly grew into a trusted name throughout South Metro and West Metro Atlanta.

Founded by the Hammond family, our business has proudly served the South Metro and West Metro Atlanta community for over 45 years. With locations in Griffin, Newnan, Stockbridge, Peachtree City, and Austell, we're honored to continue living and working in the same neighborhoods as the families we serve.

Every member of our team, whether plumbing, HVAC, or electrical, shares the same belief: our customers deserve to be treated like family. That means fast response times, honest service, and dependable solutions that get your home back to normal quickly and with care.

From day one, our goal has been simple: show up fast, fix the problem right, and make every customer feel taken care of. It's the same approach that built our company, and it's the reason so many families continue to choose Hammond Services after all these years!

MEET THE FOUNDERS

ED & BARBARA HAMMOND
(ORIGINAL FOUNDERS)

DAVID & LISA HAMMOND
(2ND GENERATION OWNERS)

Hammond Services, based in Griffin, Georgia, has a rich history grounded in hard work and community values. Founded in 1979 by Ed and Barbara Hammond, the company aimed to provide reliable heating, air conditioning, plumbing, and electrical services to the local community. Ed and Barbara focused on exceptional service and core values like integrity and dependability, quickly establishing Hammond Services as a trusted name in the area.

Over the years, the company thrived, thanks to the strong relationships the Hammonds built with customers and employees. They fostered a culture of teamwork and open-mindedness, creating a supportive environment where all felt valued, which contributed to a family-oriented atmosphere for both staff and clients.

As second-generation owners, David and Lisa Hammond embraced the Hammond Services legacy with a commitment to the core values instilled by Ed and Barbara. They adapted the business to meet modern customer needs, introducing innovative services and new technologies, ensuring Hammond Services remained a leader in the industry.

David and Lisa have maintained a focus on integrity, dependability, teamwork, open-mindedness, and respect. They believe that upholding these principles nurtures trust with customers and fosters a positive workplace culture, motivating employees and enhancing appreciation. Their leadership illustrates how a business can thrive while staying true to its core ideals.

Today, Hammond Services stands as a testament to family, dedication, and community engagement, continuing a legacy that has spanned two generations. It represents reliability and quality, valued by loyal customers, reflecting the harmonious blend of respect for the past and a commitment to future innovation.

DOING IT RIGHT

from Day One.

WHO WE ARE, AND HOW WE GOT HERE.

1979 / Built from Home

Hammond Services started in 1979 with one goal: serve people the right way. Built from a home office with faith, hard work, and family at the center.

1990s / Expansion Years

As more families trusted us, we grew. New areas, new services, same commitment to honest, dependable work.

2010s / Raising the Standard

Growth brought new opportunities and higher expectations. We continued to improve, invest in our team, and raise the standard for service.

1980s / First Trucks, First Team

What started small began to grow. The first trucks rolled out, and the first team came together. We built it the same way we still do today, by showing up and doing the job right.

2000s / Stronger Systems, Bigger Reach

We expanded our capabilities and strengthened our systems to better serve our customers. No matter how much we grew, our focus stayed the same: take care of people.

2020s / The Hammond Services of Today

Today, Hammond Services is built on over 45 years of hard work, strong values, and trusted relationships.

WE'RE PROUD OF WHERE WE CAME FROM, AND WE'RE JUST GETTING STARTED.

Thank you for choosing Hammond Services!

SERVING OUR COMMUNITY

These Core Values are the foundational principles that guide our actions, culture, and decision-making. Hammond Services' fundamental beliefs and priorities shape our identity and influence how we operate daily

HAMMOND'S CORE VALUES

Integrity

"Do the right thing even when no one is looking."

Dependability

"Doing the Necessary Consistently"

Teamwork

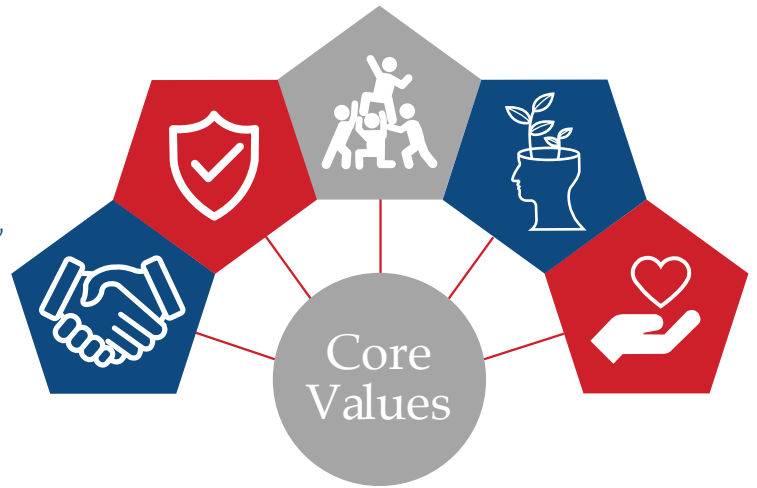

"Stronger together."

Open-Mindedness

"Learn to listen and listen to learn."

Respect

"Start with it and end with it."

CRAWL SPACE ENCAPSULATION

BENEFITS OF CRAWL SPACE ENCAPSULATION:

- **IMPROVED AIR QUALITY:** Much of the air inside your home originates from your crawl space. By sealing it, you can reduce allergens, mold, and other airborne contaminants, creating a healthier environment for you and your family.
- **ENERGY EFFICIENCY:** Encapsulation can significantly reduce energy costs by preventing temperature fluctuations caused by air leaks and moisture. Homeowners may notice up to a 20% reduction in energy bills.
- **COMFORT:** Encapsulation reduces the humidity levels in your home, which means cooler summers and warmer floors in the winter.
- **EXTRA STORAGE SPACE:** A sealed crawl space offers a clean, dry area for storing seasonal items, tools, or other belongings without the risk of water or pest damage.
- **PEST PREVENTION:** Encapsulation creates a barrier that makes it harder for insects and rodents to invade your crawl space and damage your property.
- **DEHUMIDIFICATION & VENTILATION:** Depending on your home's needs, we install either a dehumidifier to regulate humidity levels or a ventilation fan to circulate conditioned air.

Protect Your Home Today!

WHOLE HOME PROTECTION

INDOOR AIR QUALITY

Breathe easier with professional duct cleaning, air purification systems, and UV germ lamps. Cleaner ducts = healthier air.

AIR CONDITIONING

Don't sweat the warm weather! We provide expert AC repairs, replacements, and tune-ups to keep your home cool and comfortable, no matter how high temps climb.

HEATING

Stay warm through the chilliest nights with reliable furnace, heat pumps, mini-splits, repairs, installations, and seasonal maintenance. We'll keep your heat running safely and efficiently when you need it most.

WATER HEATER

No hot water? We install and service both standard and tankless systems to keep your showers hot and energy-efficient.

ENCAPSULATION

Humidity creeping into your home? Crawl space encapsulation seals out moisture, improves indoor air quality, and helps your comfort system work less, meaning cleaner air and better comfort, all year long.

ELECTRICAL

From panels and outlets to EV chargers, generators, and whole-home surge protection, our licensed electricians help power and protect your home safely and efficiently. Whether you need upgraded lighting, safer panels, or backup power solutions, Hammond has you covered.

PLUMBING

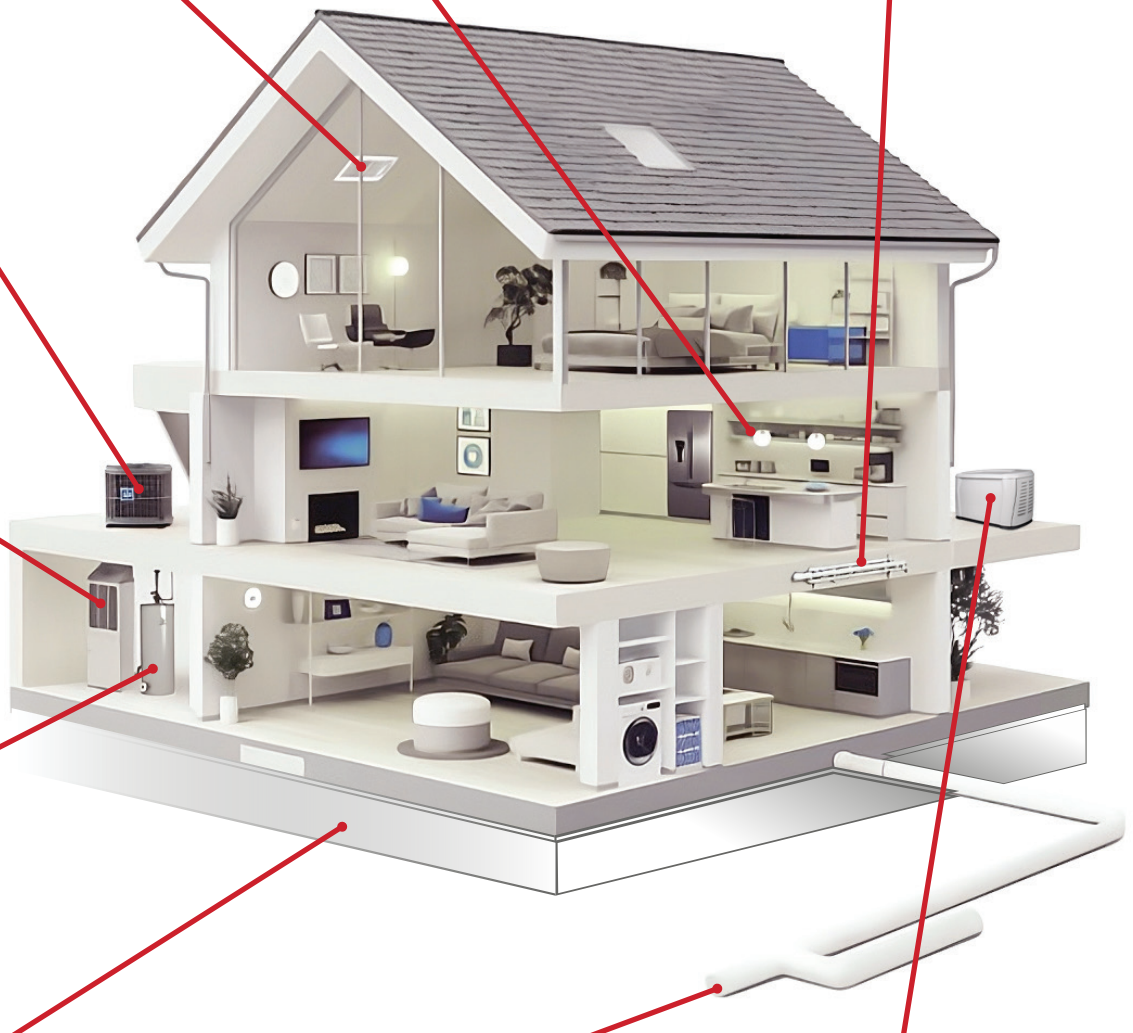

Leaky faucet? Slow shower drain? We handle plumbing repairs, fixture installs, water filtration, and full replacements to keep things flowing smoothly where it matters most. Available 24/7 for emergency plumbing services.

SEWERS & DRAINS

Whether it's a backed-up sink or a full sewer replacement, our underground plumbing experts are ready to clear the way with fast, dependable service.

WHOLE-HOME GENERATOR

Keep your home powered during outages with whole-home generator solutions designed for comfort, safety, and peace of mind. From installation to maintenance, Hammond helps keep your family protected when severe weather strikes.

HAMMOND ADVANTAGE PROGRAM

Will you have reliable heating this winter? Can you count on your AC to keep you cool all summer long? When you enroll in a membership plan with Hammond Services, you'll receive regularly scheduled system checks and maintenance visits performed throughout the year, ensuring your equipment is running at peak efficiency, getting you peak savings. These are just a few of the benefits:

PROTECTION: With our membership, you'll have peace of mind knowing your equipment remains protected, and your warranty stays intact.

EXCLUSIVE DISCOUNTS: As a valued member, you'll enjoy up to 15% off on service repairs, keeping more money in your pocket.

LOWER OPERATING COSTS: Routine maintenance ensures your system operates at peak efficiency, lowering your energy bills and avoiding costly breakdowns down the road.

PRIORITY SERVICE: When unexpected issues arise with your AC, heating, plumbing, or electrical systems, you'll have priority access through our exclusive membership line for emergency services.

ANNUAL INSPECTIONS: Our expert technicians will thoroughly inspect your systems, making necessary adjustments to ensure everything is running safely and smoothly.

Accumulate Loyalty Loot with every qualifying service, and redeem them for future repairs and installations, ensuring even more savings on your home's upkeep!

* Loyalty Loot cannot be used for service call fees or service repairs. For equipment replacement only.
